Recommendation for FL Technics

Europe Airpost is a French airline member of the ASL aviation group. Values such as Quality, Trustworthiness, Difference, Dynamism and Friendliness truly characterise our Company thus obligates us to choose partners extra thoroughly.

Europe Airpost has been working with FL Technics since 2009 after an audit which took 3 days. Since that time FL Technics became our great partners.

FL Technics staff demonstrates a hard work and valuable organizational skills. Quality always meets requirements and working time takes as agreed. Company maintains an outstanding customer service culture, hospitality and that gives FL Technics a great advantage.

FL Technics employees are conscientious and courteous. They demonstrate honesty in case of small troubles and always willing to do their best to achieve set results. Due to that Europe Airpost always satisfied with FL Technics provided services.

Europe Airpost is looking forward for further cooperation and long- term partnership with FL Technics.
