Subject: Approved Service Provider

Scope of approval :

(Parts Supplier) - Supply of aircraft components, parts and materials

We are pleased to inform you that your Company, FL Technics, AB, is included into SIA Engineering Company's Approved Service Providers Listing (SIAEC ASPL) with effect from

29/3/2016

Your Company's inclusion into SIAEC ASPL shall continue in effect, unless cancelled, suspended or revoked.

The Next Renewal Due: 31-Mar-2017

Your Company's ASPL status shall be renewed before renewal is due, upon successful completion and receipt of SIAEC Vendor Self Evaluation Questionnaire, form ECQ195, together with the relevant civil aviation certificates / accreditations or a site audit performed. Furthermore, we would like to inform you that the current aviation authorities require SIA Engineering Company's (SIAEC) approved service providers to allow them to access your operating facilities when needed.

We look forward to a good business relationship with you and your company.

Best regards,
